Students: How do you want to be involved? Please check anything that is of interest and you may sign up for both on stage and crew as they aren't at the same time.

_____ On Stage – Singers, Dancers, Actors (must attend a 1 hr audition)

_____ Crew – set construction, painting, props, makeup, costumes (if you are only interested in being on a crew, you do not need to attend the audition – however, crew time is minimal – so audition!) The backstage running crew will be pulled from the cast and not a separate group. Please indicate which crew you are interested in being involved with.

What level of commitment are you (and your family) willing to offer?

_____ High – Three rehearsals per week (required for principals roles)

_____ Medium – Two rehearsals per week

_____ Low – approx. One rehearsal per week

_____ 8th grade option only: Evil Wolves or Miss America Books (they know what I am talking about) which would have approximately 10 total rehearsals: This is only available for the 8 graders. It involves dance only, no singing or dialogue.

Many large group (chorus) rehearsals will be on Fridays, Saturdays and Sundays

Please note which day works best for your family:

_____ Saturday evenings _____ Sunday afternoons _____ both days are ok
